

# BE INSPIRED.

## GIVE GENEROUSLY TO THE NEXT GENERATION OF RISING STARS

At Inspire, we never want to turn a child away because of their inability to pay. Your gift allows children who normally would not be able to participate in theater, the chance to build character and self esteem in a positive and accepting environment.

### BUSINESS PARTNER

A business partnership with our studio is more than an advertisement. It's an investment that makes an impact on the lives of each student involved. Theater can leave a lasting impact on all involved and we want to invite you to be part of that impact.

Your gift will support our studio in the following ways:

**Production.** Rights to perform the show, sheet music, scripts, music directors, choreographers, office manager, director, designers, set team, lighting, sound, tech team, costumes and even makeup.

**Enrichment.** Provides financial scholarships. Allows our studio to introduce the performing arts to new children. Fosters a new generation of artists as we encourage and coach them through each production.

We hope you will join us in leaving a lasting impact on the lives of our studio and even the community.

WE LOOK FORWARD TO PARTNERING WITH YOU
